

## Tax Compliance, Forensic & Investigation, Assurance – Experts use IDEA® and AIS TaxAudit\*

„IDEA® and AIS TaxAudit\* can be used in numerous areas of application which - due to increasingly complex data structures - are becoming more and more diverse. Thus, our experts do not only use but depend on Audicon’s software solutions as indispensable tools when dealing with their everyday challenges. A major advantage is the scalability of the tools - from small and medium-sized enterprises to listed groups of companies of all industries. Thanks to the numerous import options, IDEA® can be used no matter what computer system our clients work with. An excellent software documentation and intuitive user interface enable even beginners to quickly get started with IDEA®.“

ADKL uses IDEA® and AIS TaxAudit in numerous fields, e.g. consulting on restructuring, forensic audits, ensuring that tax law requirements within the scope of digital government audits are met, auditing document management systems, analyzing user access rights regarding internal control/SOX audits and, last but not least, efficiently performing the audit of financial statements.

IDEA® is a registered trademark of CaseWare IDEA Inc. More information: [www.caseware.com](http://www.caseware.com).
