

IDEA[®], AIS TaxAudit Professional & SmartExporter – essential for our project work

„For our consulting projects we regularly use IDEA[®], AIS TaxAudit Professional* and SmartExporter in the area of risk and compliance management. By using IDEA[®] and AIS TaxAudit Professional we can prepare mass data in a fast and efficient way. Thus, risk areas as well as optimization potentials are detected. If the client works with SAP[®] we export the project data using SmartExporter. With SmartExporter we can easily create precise Data Requests and extract the required data from SAP[®].“

[®] IDEA is a registered trademark of CaseWare International Inc. For more information see www.caseware.com.

* AIS TaxAudit Professional is Audicon's analysis tool for tax relevant data in Germany.

TALA Consult is a specialized management consultancy for compliance and risk management based in Düsseldorf. The company develops practical solutions for large corporations and SMEs as well as financial institutions and private equities to help them face their daily challenges. The company's work focuses on staff compliance, particularly in the fields of purchase and sales as well as risk management regarding raw materials, liquidity and tax. TALA Consult is well-connected and operates internationally through renowned tax and accounting firms.

About Audicon
